Passed unanimously.

Update from the President

Russ reminded the Board that we received an email request on April 25th from Darko Kulic to provide the following information before May 19th:

Audited financial statement

Members list

Certificate of Insurance

Building condition written report.

It was agreed that Sue would provide the first three items on the list and that Russ would update the 2024 building report.

Financial Report - See separate report

2025 Calendar

- One addition: June 19th AM WPG Academy Faculty and Staff Bowling

Greens

- The majority of Lawn Bowling will take place on West Green. (Previous decision)
- Suggest mixing up the Rinks to avoid overuse
- To protect our Greens, the use Ground Sheets for all Lawn Bowling is mandatory. Suzette will send a message to the membership
- After some discussion, regarding practicing on the Greens in opposing direction before Games (Ground Sheets are set up on the Rinks not for opposite direction rolling), it was determined that protecting the Greens is paramount.

Motion: All Leagues to practice on the Rink you are playing on (Sue, second Heather)

Passed

Croquet

- Lost 6 Croquet Members
- Feedback email sent out but no responses received at this time

Social and/or upcoming events

- Sat, March 22, Spring Bring and Share Dinner, successful. About 40 attended
- Sun, April 13, Spring General Meeting, successful, 38 members in attendance
- Tuesday, April 15, Annual Spring Cleanup. Not many came but a lot was accomplished. Very thankful to all who volunteered. Consider a different day of the week next Spring as Tuesday seems to be in conflict with a well attended Craft Group
- April 26, Opening Day, very good turnout. Tom Digby rolled our ceremonial 'First Bowl'
- May 19 Holiday Bowling, Barbeque. 34 signed up so far. Only one Barbeque (Bill will get it ready) , older nonfunctional one will be discarded. Also have an electric one donated by Janis. Heather will bring a portable one to supplement if needed.
- June 7, Friends and Family, simpler format this year. Will focus on potential possible future members. Will include personal invites for the community. Suzette-Heather will contact newly elected MP, Wade Grant, to welcome everyone.

Building Maintenance - Nothing to report.

Outside Events

- First event of the season cancelled. 5 events booked including 3 Croquet
- Request for a Seminar at our Clubhouse. (see copy of email at end). Discussion but no decision. David will try to get more information/specifics

Website

- Russell Uhler and Paul Klintworth are working together to upgrade the Website

Leagues

- Wednesday Evening League, not enough interest. David still deciding what to do as Hotel Vancouver, a very loyal client, is still very interested.

Membership

- 57 registered at this time including 2 new members
- 13 members are not returning (various reasons)
- For those unsure of returning, they have 3 times to try (until end of May) and then they must decide if they will rejoin the Club
- Some concerns that members will circumvent membership fees and just come as a guest. Much discussion. No resolution, to be continued at next meeting.

Membership Misc:

- Possible option to offer a decreased membership fee for those who do come to the club often.
 - After thoughtful consideration of the matter, the Board decided to maintain the existing membership fee structure consisting of full membership (no restrictions on bowling or croquet playing privileges) or social membership (no bowling or croquet playing privileges). Offering discounted memberships was deemed not to be in the best interests of the Club.
- Vinyl Banner, installed, one on West Green Fence, one at East Green Corner
- Promotional Review - **Due to time limits, this item not discussed**
- Future promo with Kitsilano, Point Grey Community Centre Program. Profit sharing, Coaches Police Records Check- **Due to time limits, this item not discussed**

Suzette Away

- David will do Agenda and Minutes for June Board Meeting
- No volunteer for phone message retrieval. *Post meeting, Suzette asked Harlan and he accepted the role.*

Coaching

Summary:

The lesson plans were slightly updated and were well received.

The first three weeks of coaching lessons have concluded, with three new members preparing to join the Kaweski League. Huge thanks are extended to the coaching team for their supportive instruction.

Coaching is now following a regular schedule:

May Saturdays at 10:00 am, Sundays at 1:45 pm, and possibly the next few Tuesday/Thursday evenings at 6:45 pm, (if there's interest.)

Customized times can be accommodated if required. The upcoming coaching dates have volunteers assigned to each session.

Although five people took lessons, three joined through club member referrals. The club is hoping for more referrals and greater turnout as the month progresses.

If a potential bowler has not signed up for a third lesson – they receive a phone call from Jan asking when they'd like to continue with the third lesson.

Matters arising from the last meeting

- **AED** , membership signup sheet has indicated there is some interest in an AED course. Suzette will try to obtain funding or event sponsorship

Grants, Donations - Due to time limits, this item not discussed

Tournaments - Due to time limits, this item not discussed

Any Other Business - Due to time limits, this section not discussed

Friday May 2 2025. Dear West Point Grey Lawn Bowling Club Members,
I hope this message finds you well.

I'm reaching out to explore the possibility of hosting a special community and club member event—“**Age In Place**”—at the West Point Grey Lawn Bowling Club. This event is designed to support older adults including your club members and invited guests from the surrounding area, by offering valuable information, helpful resources, and engaging activities that promote healthy, independent living.

We are planning two sessions on the same day, with the following format:

Morning Session – Open to Community Guests

- 9:00–9:30 AM: Registration & Sign-In
- 9:30–11:00 AM: *Age In Place* Seminar

Short presentations by local experts on planning for aging at home

- 11:00–12:00 PM: Light lunch with Q&A at resource tables
- 12:00–1:30 PM: Introduction to Lawn Bowling

Including a fun “Spider” event with prizes – a great way to introduce new people to the sport!

Afternoon Session – For Club Members Only

- 12:00–1:30 PM: *Age In Place* Seminar (same format as morning)
- 1:45 PM onward: 10 or 12 End Draw Event & Spider for club members with special prizes

Confirmed Seminar Participants Include:

- CHIP Reverse Mortgage
- Home Instead Senior Care
- True North Disability Services
- Elder Law & Estate Planning
- Financial Counseling Experts
- Next Day Accessibility Solutions
- Chipperfield Mobile Physio and The Travelling Hygienist
- Life Assure Medical Alert Systems
- Seasons Retirement Community
- CARP – Advocacy for Older Canadians
- First Link – Dementia Care Support

We kindly request your club's support in the following ways:

- Hosting the event at your clubhouse and greens
- Providing tables for vendors and chairs for attendees (What is your max club house capacity?)
- Supplying lawn bowls for the community lawn bowling session (how many sets are available?)
- Enlisting a few club volunteers to assist during the Introduction to Lawn Bowling (Is this a possibility?)
- Helping us promote the event to members and their wider community via email

A key goal of the event is to help your club gain new members and visibility within the community. As an experienced and passionate bowler myself, I've experienced firsthand the many physical, mental, and social benefits the sport offers. This event presents a valuable opportunity to promote lawn bowling as an ideal wellness activity for older adults—emphasizing its positive impact on fitness, confidence, coordination, and community connection.

As a personal goal, I hope to help attract new members to your club, knowing how much lawn bowling contributes to overall health and well-being.

The event will be RSVP-based and capped according to your venue's capacity. We'd also like to inquire about any applicable rental fees for the space—though we sincerely hope the club might consider donating the venue in support of this community-focused initiative. In return, we hope to bring new people through your doors and create lasting interest in the sport.

I'd be very happy to discuss further or answer any questions you may have. Please let us know if this is something your club would be interested in supporting, and what the next steps might be.

Warm regards,

Brian Lane
